SUMMARY

I am a Team Coach and full-stack developer. I enjoy helping teams build better software by combining a strong technical foundation with a people-focused approach and a mindset of continuous improvement. I currently work at Bilbomática, supporting a team at the Department of Social Rights of the Government of Navarre in the modernisation of legacy applications to .NET 10 and React.

EXPERIENCE

Team Coach · Bilbomática

Mar 2025 — Present

Client: Dept. of Social Rights — Government of Navarre · Hybrid

Tech renewal project migrating legacy apps to .NET 10 and React. I coach the team, collaborate with the Product Owner on requirements and epics, help with UI design in Figma, handle deployments and support technical analysis.

.NET 10, React, Figma, SAFe, Scrum, Jenkins

Developer · Cysnet

Feb 2019 — Jan 2024

Client: Clínica Universidad de Navarra · On-site

Full-stack development in the healthcare ecosystem: Salesforce ↔ legacy HIS integration through an InterSystems IRIS for Health-based bus, .NET Framework apps, React, FileMaker, Magnolia CMS and Oracle SQL.

InterSystems IRIS for Health, .NET Framework, React, Docker, Magnolia CMS, Oracle SQL
